WASHINGTON, Oct. 4.-SENATE -A BOY amendment to the bill repeating the purchasing clauses of the sliver act of 1850 was submitted to the senate Tuesday by Senator Morgan, of Alabama. It proposes the re-enactment of the free coinage act of 1827 and the remission of the 30 per cent of tariff duties to the countries which receive American standard dollars of the present weight and fineness at par as legal-tender motey. The difficulties in the way of securing a compromise on the repeal bill be-tome more and more apparent every day, be-cause of the differences which exist on the

come more and more apparent every day, be cause of the differences which exist on the democratic side of the senate chamber.

House—The debate on the elections bull Thesday only showed one flash of interest, when Murray, the South Carolina colored representative, interrogated Kyle, of Mississtppi. Houtelle, of Maine, supported the colored man, and between them they forced the Mississippi has to appeal to the speaker to prevent further interruptions. The real feature of the session occurred just before adjournment. Mr. Dunphy asked unanimous constant to consider the New York and New Jersey bridge bill, Mr. De Witt Warner, although he refrained from objecting, made a vigorous speech against the bill. It is the bill which Senator Hill tried to pass in the senate after midnight on the night of the last session of congress. Mr. Warner questioned the good faith of the corporation to which the charter was to be granted, even going so far as to luminate that it was to be given to black-mail some company that honestly desired to erect a bridge. When the vote was taken he made the point of no quorum, and the attempt to railroad the bill through a deserted house was frustrated.

Washington, Oct. 5—Senate—Compromise.

WASHINGTON, Oct 5 -- SENATE - Compromise" was the keynote of both the speeches delivered in the senate Wednesday, by Mr. Burier, of South Carolina, and Mr. Blackburn, of Kentucky, "Compromise" was also the key-note of a statement delivered by Senator Gor-man, of Marriand, to a designation of business

and a contest has commenced that will involve the textile workers of New England.

THE STORM'S TRACK.

Reginning to Count the Awfut Cost in Life and Property.

New ORLEANS, La., Oct 10.—This city has raised a relief fund of about \$75,000 to all banks to borrow money except by the consent of banks to borrow money except by the consent of banks to borrow money except by the consent of banks to berrow money except by the consent of the heard of directors. But it wentover without action. The bankrupicy bill was reported and placed upon the calendar. The foreign affairs committee Wednesday decided to report favorship the McGreary substitute for the Everett bill. As agreed on, it extends the Chinese res-turation period six months from the passage of the act. It strikes out the word "white"

> mony of anyone except a Chinaman to prove that "Chinaman is entitled to register." It defines Chinese laborer. WASHINGTON, Oct 6 -- SENATE-The senate washington. Oct to Shart with the policy of the president for violations the home-rule plank in the democratic platform in the appointment of Indian agents was dred musiciants, played the air of "A Nations." It was a grand spectacle. ed wholly to senators and members in th far west who object to the appointment of east-ern men to offices in the territories.
